## GROUP FITNESS CLASS DESCRIPTIONS

### GROUP X STUDIO

**HIIT** (30/45min.) A high intensity interval training class using a large variety of training tools!

**Step:** A cardio bench workout with fun choreography and lots of leg work.

**Yoga4Athletes** (30 min.) This class will help improve your athletic performance by focusing on flexibility, balance and range of motion.

**Silver Sneakers® Boom** This class incorporates athletic exercises that boost your overall fitness. Move through muscle-conditioning blocks and activity –specific drills to improve strength and functional skills.

**Senior Fitness** This low impact class is designed to prevent injury while also increasing muscle strength and energy levels.

**Balletone** No dance experience required! This class will leave everyone feeling graceful, strong and elegant with a fusion of NONSTOP cardio and strength that blends techniques from ballet, Pilates and fitness

**Cardio Yoga** Prepare yourself for a journey-filled sweat drenching moving meditation! With strong, flowing bodyweight movement, this uplifting class will enhance your cardiovascular endurance and overall functional fitness.

**LES MILLS GRIT** (30 min) This class features one of three high-intensity-interval-training classes to give you ultimate results in minimum time. (Strength, Athletic or Cardio) \*GRIT is not recommended for expecting mothers, the injured or those with joint issues.

**tone** (45min.) A challenging mix of lunges, squats, functional training and tubing exercises will help burn calories and take your fitness to the next level. A complete workout!

**LES MILLS BODYPUMP** (30,45,60 min.) A weights class for everyone! Using light to moderate weight with lots of repetitions. BODYPUMP® gives you a total body workout that burns lots of calories and boosts metabolism! \*BodyPUMP™ is not recommended for expecting mothers and should not be done on consecutive days.

**LES MILLS BODYCOMBAT** (60 min.) is a martial art-inspired full-body workout that fuels cardio fitness and leaves you feeling empowered. Beginners, feel free to start with 30 minutes!

**LES MILLS CORE** (30 min) Inspired by elite athletic training principles, this scientific core workout drives incredible core strength and sports performance!

**LES MILLS BODYFLOW** (60min.) A Yoga, Tai-Chi, Pilate's workout which builds flexibility and strength throughout the body.

### YOGA STUDIO

**Yoga Basics** All levels (60 min.) We will learn and practice basic yoga poses suitable for most people. Strength, flexibility and toning are some of the benefits!

**Yoga Foundations** (60 min) Moderate level class incorporating strength, flexibility, muscle activation movements and breathing to improve your body's awareness, self-care, and knowledge of basic yoga poses.

**Tai Chi:** Whether you want mental, emotional and/or spiritual enhancement, this low impact exercise will keep you fit! No experience required.

**24 Form Tai Chi Quan: Beginner Level :** This simplified version of Taiji is composed of twenty-four unique movements.

**Iyengar Yoga** (75 or 90 min.) This class is a yoga practice developed by B.K.S. Iyengar. The emphasis is on detail, precision and alignment. You will use props such as blocks, blankets, straps and chairs to achieve balance and strength in the body.

**Restorative Yoga** All Levels (60 min.) Learn how to develop more comfort and freedom in the hips, shoulders and chest. **Yoga mats/props are provided, but you may bring your own.**

### Keiser M3® Cycle Studio

**PowerRide** (45min.) A studio cycle class featuring our Keiser M3 bikes and great music. You will experience a motivating multi-level cardio workout!

**HIIT Blast Cycle** (30-45min.) You're going to get your heart pumping and have a blast in this High Intensity Interval Training spin class!

**sprint** (30 min) This is a high-intensity-interval-training class or bike – its low-impact but the thrill and motivation come from pushing your physical and mental limits!

**Power Ride30 Yoga30** (60 min)- You will increase your energy with a 30 minute multi-level cardio workout then learn how to work through strength and flexibility for an inspirational workout.

**Power Ride45 Stretch15** (60 min)-A 45-minute cardio cycle class followed by 15 min. yoga-inspired stretch.

**\*Plan to arrive 5 min. early to your Cycle class to set up your bike. Bring water and a towel.**

### POOL

**Water Fitness** All levels (45 min) A non-impact, exhilarating workout to help burn calories and tone muscles!

**Aqua Athletes** All levels (45 min) A fun, upbeat class that can burn up to 450 calories! Creative and challenging!

**SilverSneakers® Splash** All levels (45min) In this fun, shallow-water exercise class you'll use a signature splash-board to increase strength and endurance.

**The pool temperature is maintained at 84-86 degrees**
